

Armour System – RFID Tagged Safety Vests

KEY FEATURES:

- Armour Equipped safety vests include integrated passive RFID tag arrays
- 3M Scotch light™ banding
- Break-Away hook and loop seams
- Lightweight mesh and ‘Surveyor’ pocketed versions available
- Custom options available
- Every vest has a unique ID
- Passive operation

Each Armour Safety Vest features a five-way, tear-away Velcro™ design with 14(yellow) and 15(orange) strategically positioned RFID tags for reliable detection. These highly visible vests are a bright fluorescent yellow-green or orange color and highlighted with reflective 3M Scotch light™ markings. Other colors, sizes

and configurations are also available. Made from a durable 100% polyester material the vests are comfortable, lightweight and meet both CSA Z96-02 Class 2 Level 2 and ANSI/ISEA 107–2004a standards.
